Flexible Schedules

As scheduled in advance, the event hosts can "stage" on the day prior to the event, leaving items such as wedding dresses, tuxedos, and favors ahead of time so that the day of the event is as relaxing as possible.

For weddings, the bride can arrive as early as 10 a.m. on her wedding day and has no deadline to leave at the end of the reception. The bride can relax and feel special. Most brides dress at the estate and spend many, many hours enjoying owning a plantation for the weekend.

Price

Full day wedding packages start at \$3,900. Prices will vary based on season, availability and event type. A \$1,000 deposit will hold your date and is full refundable if the manor books a comparable event on your date.
